

# Information on the processing of users' personal data

Zamaz plc (hereinafter "Zamaz" or "Company"), as owner of the data processing from this website, [www.zamaz.tech](http://www.zamaz.tech) (hereinafter "the Site") wishes to inform the users of the Zamaz website (the "Users"), of the processing method for personal data provided to Zamaz, as set out by Legislative Decree no. 196/2003 (the "Privacy Code") and by New European Regulation no. 679/2016 regarding the protection of personal data (the "Privacy Regulation").

## 1. Owner of data processing

The Owner of all data processing on this website is Zamaz plc, whose Registered Office is 9th Floor, 107 Cheapside, London, EC2V 6DN. The Company can be contacted at the following address: [info@zamaz.tech](mailto:info@zamaz.tech)

## 2. Personal Data collection

Zamaz processes data provided by Users, including biographical and contact data, as well as data provided in the case of a request for information and/or assistance, in compliance with this present privacy information.

Health data and, in general, any categories of personal data within the meaning of article 9 of the Privacy Regulation shall not be processed. The data of minors/children shall be processed according to the method set out in paragraph 8.

The data referred to above is processed only insofar as is necessary to fulfil the purposes described in paragraph 4 of this Legal Notice.

## 3. Data processing method and duration of retention

Users' personal data is processed with the support of computer and/or paper methods, and is protected through adequate security measures designed to guarantee the privacy and security of such personal data. In particular, Zamaz adopts technical and organisational measures appropriate to protect the personal data in its possession against loss or theft, as well as the use, disclosure or unauthorised modification of personal data. Data is retained only for the period necessary to execute the requested activity, and will be deleted at the termination of such need.

## 4. Processing purposes

Processing purposes for which the User is asked to provide personal data to Zamaz are as follows:

- to allow the User to utilise the services made available by the Site;
- to comply with any legal and/or regulatory obligations (defined below as “Legal Purposes”);
- to send information and/or news regarding the Company by means of distance communications (email), t and/or information regarding the Site. (“Processing purposes”)

## 5. Legal basis for the processing

The provision of personal data for Contractual Purposes is obligatory and is required in order to utilise specific services requested by completing the form.

## 6. Scope of communication and diffusion of data

For the purposes referred to in paragraph 4 above, Zamaz, , may communicate Users’ data, but only that which is strictly necessary to each type of processing, to the following:

- collaborators, employees, suppliers and professionals belonging to professional registries and outsourcers of Zamaz, within the scope of their relative tasks and/or any contractual obligations with them, inherent to commercial relationships with Users sub-suppliers and/or sub-contractors engaged in activities connected with the execution of services offered by Zamaz.

The personal data of the Users shall not be disseminated.

## 7. The personal data transferred abroad

Personal data may be freely transferred outside of the national territory to countries located within the European Union.

## 8. Users' Rights

Users may, freely and at any time (a) obtain confirmation of the existence or lack thereof of data regarding themselves and have it communicated to them; (b) know the origin of the data, the purposes and methods of processing, as well as the logic applied to such processing through electronic methods; (c) ask for an update, correction or – where applicable – the addition of data; (d) obtain the cancellation, transformation into anonymous form or blocking of any data processed in violation of the law, as well as to oppose, for legitimate reasons, its treatment; (e) oppose, in full or in part, the processing of data that refers to them; (f) revoke consent to data processing at any time without prejudicing in any way the lawfulness of such processing, based on the consent given prior to its withdrawal.

In addition to the rights listed above, Users may benefit from the rights referred to in paragraph 10, let. b) present information.

At any time, Users may exercise their rights referred to above, modify their contact method, notify Zamaz of any updates to their personal data, request the removal of their personal data supplied by third parties, or to obtain further information regarding its use by Zamaz by contacting the company at: **info@zamaz.tech**

## 9. Modifications and updates

Current information is valid from the date indicated.. Zamaz may also make modifications and/or additions to such information, and/or as a consequence of any successive Regulatory modifications and additions to the Privacy Regulation and the national regulations in question. Notification of any modifications shall take place in advance.
